SERVICE DELIGHT

- In-house Call Centre
- Customer friendly. Supports English, Hindi, Bengali, Punjabi, Tamil languages
- Quick Response Time
- Hassle free warranty registration
- Van service at select locations
- Company owned Trained Engineers
- On-site resolution

DISCLAIMER:

- Battery backup varies with ambient temperature, battery age, inverter used and State of Charge (SOC) conditions.
- Charging through inverters does not result in 100% SOC.
- Certified backup hour can be achieved after three charge-discharge cycles on a new battery.

STATUTORY NOTICE: All batteries contain lead, which is harmful for human and environment. As per statutory requirements, the used battery must be returned to the authorized dealer, manufacturer or at the designated collection centres.
